

As someone who is considering an employment opportunity with Agilent, you're undoubtedly interested in the benefits that Agilent provides to its employees. This brochure is intended to help you understand some of the benefit policies and programs provided for eligible Agilent employees.

Benefits are an important part of your total compensation, and we're proud to offer a comprehensive, balanced, and competitive benefits package that address both

- The immediate needs that employees and their families may have, such as medical, dental, and vision coverage, and income protection in case of unexpected injury or illness; and,
- Long-term needs, such as saving for retirement.

In addition, Agilent Technologies offers flexible time off programs and, where business permits, flexible work hours to acknowledge the need and importance of time away from work.

Follow Agilent careers on

This Brochure is not intended to completely describe any Agilent-sponsored employee benefit plan or program, including the Agilent Technologies, Inc. Health Plan. The formal plan documents for each benefit plan or program contain detailed information about your eligibility and coverage. In the event there is a difference or a conflict between the information in this Brochure and the formal plan documents, the documents will govern in all cases.

Agilent reserves the rights to amend, change or terminate its employee benefit plans and programs at any time and for any reasons. This includes the right to change eligibility for coverage and the amount of employee contributions.

Agilent Technologies is an equal opportunity employer dedicated to affirmative action and workforce diversity.

Any employment with Agilent Technologies, Inc. is not for a fixed period of time and is terminable at the will of either Agilent or the employee. No contrary representation or promises have been made and no such promise or representation shall be binding unless in writing and signed by an officer of Agilent.
